

Cleansing Prayer

Cleansing Prayer

(First picture yourself under a waterfall)

“Lord, place me under the waterfall of Your Love. Wash me with Your refreshing waters. Wash away all the burden-bearing, attachments, transferences, defilements and retaliation. Wash it all away and refresh me with Your Love.

Father, I give this person or situation (all of it – every piece and every part) to You. You are the answer, Lord. You are the greater One. (Declare your faith in Him, waiting on Him, and then continue) Now, Father, only give back to me what You have called me to carry...even if that is nothing, this is fine with me.”

(It is very important to “spell out” what you mean by giving the person or situation back to the Lord)
